

# MOD ROLES

## P.A.L.M

### Development

Crafting the future of tech excellence! Our Development team innovates, codes, and builds projects that define P.A.L.M's tech landscape.

### Management

Guiding the ship of innovation! Management oversees strategy, organization, and ensures P.A.L.M sails smoothly on its mission to empower the tech community.

### Trial Mod

Guardians in training! Trial Mods support moderation efforts, learn the ropes, and showcase their commitment to maintaining a positive and welcoming community.

### Moderator

Peacekeepers of P.A.L.M! Moderators enforce rules, foster a friendly environment, and ensure that our community remains a safe space for learning and collaboration.

### Community Member

Community Members are the heartbeat of P.A.L.M, actively engaging, learning, and contributing to the diverse tapestry of our tech-focused family.

### Booster

Boosters are the champions who support P.A.L.M's growth, enjoying exclusive perks while helping us bring more opportunities and resources to the community.
